Bead loom graph paper: Delica 11/0 cylinder beads

Each cell is one bead: 1.27 mm wide x 1.49 mm tall (about 20 beads across and 17 rows per inch).
Rows run across the page; warps run up and down. 145 beads across x 160 rows. Darker lines every 10 beads.

2 inches

5 cm

Print at 100% (actual size), not 'fit to page'. If the bars above measure 2 in and 5 cm, the cells are true to size. beadsbeadingbeaded.com
